Tailor-Made Western Cape Experience. Your Tour. Your Interests. Your Western Cape

Not every traveller wants to follow a set itinerary. Cape Car Tours offers private, tailor-made tours designed around your interests, preferred pace, and travel style.

Whether you would like to explore world-renowned wine estates, scenic coastal routes, historic towns, hidden beaches, mountain passes, gardens, art galleries, wildlife experiences, or exceptional restaurants, we will create a personalised itinerary exclusively for you.

Travel in comfort in an air-conditioned Alfa Romeo or, for larger groups, a luxury SUV. Your tour will be led by a professionally trained and qualified private guide who will provide local insight, thoughtful recommendations, and a relaxed, seamless experience from start to finish.

Custom tours can be arranged as half-day, full-day, or multi-day experiences.

Private guides are available in English, with German or Afrikaans-speaking guides available by prior arrangement.
