

Important Tour Information

Safety & Guest Information

Your safety and comfort are our highest priorities. All guests must wear seatbelts while the vehicle is in motion and follow the instructions of the driver or tour guide.

Please advise us at the time of booking if you are travelling with children, require child or booster seats, have mobility requirements, or are bringing luggage, wheelchairs or other bulky items so we can confirm vehicle suitability.

Our Alfa Romeo touring vehicles comfortably accommodate up to four passengers (three adults recommended for full-day comfort). Larger groups travel in premium SUV vehicles.

Guests are expected to behave respectfully towards fellow travellers, staff, wildlife and the attractions visited. Cape Car Tours reserves the right to refuse or terminate a tour without refund where a guest's behaviour is unsafe, abusive, disruptive or impaired by alcohol or drugs.

Guests remain responsible for their personal belongings throughout the tour.

Tour Inclusions & Third-Party Venues

Each tour itinerary clearly states what is included and excluded.

Cape Car Tours partners with carefully selected wineries, restaurants, attractions and nature reserves operated by independent third parties. Opening hours, tasting experiences, menus, entrance fees and venue availability may occasionally change without notice.

Where practical, we will endeavour to substitute a comparable experience should a venue become unavailable.

Unless specifically included in your tour package, entrance fees, wine tastings, meals, beverages and optional activities are payable directly to the relevant venue.

Tour Changes

Tours may occasionally be adjusted due to weather, road closures, traffic conditions, safety considerations or circumstances beyond our reasonable control. Where possible, suitable alternatives will be provided to ensure you continue to enjoy an exceptional Cape Car Tours experience.

For complete details, please refer to our **Terms & Conditions**, **Safety Policy** and **Booking Policies**.
